The following issue(s) have been raised to assist the council. The council is recommended to take action on the following issue(s) to ensure that the council acts within its statutory and regulatory framework.

**Additions in year not included in Annual Return**

*What is the issue?*

The council has not included all additions or replacements of fixed assets, in the year in box 9 of Section 1 of the Annual Return.

*Why has this issue been raised?*

The value of fixed assets included in the Annual Return appears to be under valued.

*What do we recommend you do?*

The council must ensure that the value of its fixed assets is correctly stated in Section 1 of the Annual Return. The value of all fixed assets must be recorded in the fixed assets register, measured at cost value. Assets may comprise of land, buildings, plant and equipment, vehicles, notice boards, street furniture etc, property that will be of economic benefit to the meeting over a period substantially longer than one financial year.

Assets which are held as community assets such as playing fields, war memorials etc should be included in the accounts at their historical cost or given a £1 value.

The costs of assets which are replaced during the year should be removed from the register and the new item added.
