EXPLANATORY STATEMENT

THIS EXPLANATORY STATEMENT DOES NOT FORM PART OF THE ORDER

Public footpaths, bridleways, restricted byways and byways open to all traffic are recorded on definitive maps and statements. These maps and statements provide conclusive legal evidence of the existence of public rights of way. The County Council is responsible for the definitive map and statement and has a legal duty to change them when evidence suggests that they are inaccurate or incomplete. One of the ways these changes can be made is by means of modification orders under Section 53 of the Wildlife and Countryside Act 1981. These orders do not come into effect until they are confirmed. Before that happens, members of the public have a right to make objections or representations about the order. If there are any objections then the County Council must refer the order and the objections to the Department for Environment, Food and Rural Affairs, which will decide whether or not to confirm the order.

In this case the County Council has made a modification Order to amend the definitive map and statement by adding a Footpath from East Lane (D20502) to D20503 Public Road east of Coombe Cottages, Bradford Abbas in the West Dorset District.

For your information, definitions of the categories of public rights of way are given overleaf.

If you wish to make representations about the Order, you must write to Phil Hobson, Senior Definitive Map Officer, Dorset Highways, Environment and the Economy Directorate, Dorset County Council, County Hall, Colliton Park, Dorchester, Dorset, DT1 1XJ (Ref: RW/T474) by 6 October 2017.

You have a statutory right to object to the Order but your comments should be legally relevant. This means that they should relate to the existence or the status of the right of way in question. Other objections, for example about privacy or security, may not be legally relevant. Any letters received will be made available for public inspection.

Usually the Department for Environment, Food and Rural Affairs does not award costs, either to the County Council or to objectors. They may make an award of costs if objectors unreasonably maintain objections which are not legally relevant or which cannot be sustained.

If you are considering objecting to the Order and would like to talk to someone or if you have any concerns about the Order, please telephone Phil Hobson on 01305 224463, who will be happy to help.

Definitions:
