**Merry Christmas and a Happy New Year to all BA villagers!!**

## **Bradford Abbas Parish Council - Neighbourhood Plan**

The Parish Council would like to thank all those who attended the meeting on 16th November when we had presentations from the chair and clerk of Hazelbury Bryan PC, Steve Murcer and Malcolm Wilson, on their experience in setting up a Neighbourhood Plan. On a show of hands amongst the 50 plus people present, it would seem that there is a will for Bradford Abbas PC to also start the process off.

The PC cannot do this alone and a group of nine people approximately will be needed. We have some names already and have asked anyone else who might be interested to contact our clerk on [bradfordabbaspc@hotmail.co.uk](mailto:bradfordabbaspc@hotmail.co.uk) BEFORE 3rd January 2022 so that the PC can consider the subject at the next Ordinary PC meeting on 4th January. For those who couldn't make it on 16th November, please go to the PC website (<https://bradford-abbas.uk/>) where there are links to the details of Neighbourhood Plans.

Tony will again be trying to convey his knowledge of the history of the village across to a likeminded audience.

## St.Mary's CE Primary School

St Mary's CE Primary School staff and pupils came back with a bang after the half term holiday. What a busy few weeks we have had and we have not even begun our Christmas preparations yet! Great Western and Five Bridges classes travelled up to Bath to explore the Roman Baths as part of the topic on the Romans in Britain. They dressed up in togas, built Roman arches, visited Roman shops, created mosaics and then toured the extensive museum. An exciting day was had by all.

Cool Aeronautics, in collaboration with Leonardo, is the Royal Aeronautical Society's outreach programme that introduces the children to the fascinating world of flying, aerospace engineering and space. Children from Silverbridge and Five Bridges took part in a day of science, technology, engineering and mathematics' activities that had the children buzzing. It was such an exciting day for them.

We have also been fortunate to have a visit from Fire Officer Jon Sweet, from Dorset Fire and Rescue Service, to Churchwell, Underdown Hollow and Great Western Classes. Our children are now experts in keeping themselves and their families safe and aware of the fire hazards in their houses. Thank you very much Jon!

Following the Remembrance Day Service on Thursday 11<sup>th</sup>, in which the children took part, the children in Silverlake Class held a World War 2 day. (The school had an influx of evacuees, who all arrived at school with their gas masks and identity cards.) We even had a visit from a WW2 jeep to the school. The day certainly made the children realise how lucky they are to live in a time of peace in our country.

This term our Christian value is 'Compassion' and our children have been living this out as they took part in the national 'Odd Socks Day' event to raise awareness of bullying in our society and how we can overcome this - by being united! We have also raised £229 for Children in Need, wearing our spotty, yellow, or even yellow spotty outfits to school!

If you would like any further information about our wonderful school or to see some photos of our events, please visit our school website at [www.bradfordabbasprimary.co.uk](http://www.bradfordabbasprimary.co.uk).

Many blessings from the staff and children at St Mary's CE Primary School, Graham Simpson (Deputy Headteacher)

### A Message from the Rector

**Holiday:** "a day on which ordinary occupations (of an individual or a community) are suspended; a day of exemption or cessation from work; a day of festivity, recreation, or amusement."

*Oxford English Dictionary*

Christmas is approaching fast now together with its associated holiday and I thought the season demanded more than just a rather bald definition. It seemed appropriate to look at this word 'holiday' and talk a bit about its origin.

'Holiday' is truly an English word deriving from the Anglo-Saxon language spoken in the 6<sup>th</sup> Century. In fact, the word '*day*' which we see in days of the week (Monday, Tuesday, etc...) as well as a stand-alone word, comes from the Old English *dæg* "day" (so *Mōnandæg*, *Tīwesdæg*, etc...). *Hāligdæg* is a combination of the Old English *Hālig* (meaning holy or sacred) and *dæg*. Thus, holiday literally is a Holy Day.

The word's spelling transformed over the centuries and the word 'Hāligdæg' 'haliday'. And then the 'a' in 'haliday' was lost in favour of an 'o' to give us the familiar word holiday. Initially either holy day or holiday (first recorded in 1460) were used interchangeably. But still, holiday referred exclusively to special religious days. However, the definition expanded to include secular days as well such as 'Bank Holiday'.

You might be interested to know that the name of the fish '*halibut*' comes again from the Middle English *hālig* (holy) and *butte*, meaning (flat) fish. Once it was not uncommon for people to eat halibut on a holy day and so the fish became known as *halibut*, the holy fish.

But whatever you do this Christmas remember that it is first and foremost a Holy Day.

Happy Christmas from all the team,

Reverend Tony Gilbert
