Who needs stuff in the shops? To make your Christmas go with a bang, the St Mary's Week Team has the following events. Put them in your diary now.

SATURDAY 4th DECEMBER – CHRISTMAS SINGALONG from 7:30. In the church. Bar.

(Would you like to sing or lead a song or two? Please let us know.)

VILLAGE SANTA COMPETITION. Since we were unable to run a scarecrow competition this year, we invite you to join us by making Bradford Abbas a Santa-filled village. Big ones, small ones, in front of your house, on a poster in your window...any type, anywhere. Please have yours in place by 14th December and on display until at least 1st January. We will select a favourite home-made Santa and a chocolate-based prize will go to that house.

In January or early February (exact date TBC) we are planning to hold a wassailing evening with mulled cider and songs.

Look out for posters and notices on the Pennant's Facebook page for details of all these.

If you can help with any of these events, please contact us.

If you wish to book the **village hall** please contact the booking secretary, Tricia Chapman, by email bacmvh@gmail.com or phone (01935) 473833. The village hall's diary, booking forms and terms of hire are all available on the parish council website: <https://bradford-abbas.uk/hall>

Neighbourhood Plan

The Parish Council is considering whether or not Bradford Abbas should have a Neighbourhood Plan which would dictate the planning and environmental issues for the parish for the next 10 years.

The decision is not clear cut so we are having a meeting on **16th November at 7.30pm** in the Village Hall to discuss this so that the council can get a feeling from the population of what we should do.

The chair of Hazelbury Bryan PC will give us a talk on their experience of creating a plan which should give us some pointers to help our deliberations.

Everyone is welcome to attend but if the date doesn't suit you, please get in touch with any of the councillors or the clerk to pass on your views.

Bradford Abbas History Society

The history society now has a new Treasurer, Cherie Capozzoli, and a new Chairman Tony White. Richard Hann is staying as Secretary.

We have organized a choice of either an afternoon meeting on Tuesday 23rd November at 2.30 or an evening meeting on Thursday 25th November at 7.30 in the Village Hall. Both dates are on the same subject which will be an introduction to the history of our village by Tony White, hopefully starting at the beginning circa 4000 years ago. This is an excellent introduction for newcomers to the village or indeed to the History Society. This will be followed by a series of talks by Tony throughout the coming year. He will try to convey his knowledge of the history of the village across to a likeminded audience.

We are trying to encourage new members to the Society and indeed families and hopefully plant a seed of interest that may develop into something rewarding and interesting. A £1 introductory entrance fee per person for this first meeting. 16-year-olds and under are free.

St.Mary's CE Primary School

At St Mary's CE Primary School, it has been a busy first half term! We have been so pleased to welcome the children and parents back through the school gates for a new school term and the start of the academic year. We have a lovely, lively new early years group of children who have joined St Mary's and they have settled in wonderfully under the guiding eyes of Lauren Langdon, our early years teacher, and Marie Lockwood, our early years teaching assistant. Their classroom is always a buzz of activity - inside and out - and it is such a joy to see our new pupils looking so eager and confident already. We have had after-school clubs, sports fixtures and our annual Harvest Celebration, following which Sherborne Food Bank has gratefully received the generous donations from our families.

Last year, Mrs Middleton and her Green Team got involved in leading the Better Energy Awards for schools, organised by The Young People's Trust for the Environment. They gained a Highly Commended for their project: 'Plastic - a poetic reflection'. As part of the work, our pupils took part in making a promotional film, which you can view on Youtube. This year, we are building on this work by participating in the Better Planet Project, which aims to teach children about caring for our environment, global issues and how they can affect change, locally and globally.

Following our half term break, there will be the **PTA AGM on the 11th November** at 7.00pm in the school hall (all being well). Please come along, meet other parents and staff, and let us plan some exciting events for the year ahead of us. It will not be too much longer before we commence the run up to our Christmas celebrations!
Many blessings from the staff and children at St Mary's CE Primary School.

Telephone Box News

Operation Daffodil is progressing well. Thanks are due to those very generous people who have given us bulbs etc. If you would like to help with the planting or give us bulbs we would be delighted to hear from you 706419 or 413119. We will leave the geraniums until we are likely to get frosts. If anyone could over winter them we would be very grateful.

At present we have a healthy stock of books and don't require any more until the New Year, apart from books for children and teenagers, which fly off the shelves.

Thank you for your support, The Telephone Box Team

Macmillan Coffee Morning

To all those who came along or contributed to my Macmillan Coffee Morning last month, a massive thank you. It was lovely to see so many familiar faces, and a few not so familiar ones, and to spend some time having a chat over coffee and cake in the kitchen. Apologies to Ann from Manchester, not Liverpool, I really should have known better! But it was all for a good cause and your huge generosity helped raise a staggering £565!!! Not bad for some flour, butter, sugar and eggs... Jemma Dempsey

A Message from the Rector

In May 1915 Lieutenant-Colonel John McCrae of the Royal Canadian Army Medical Corps was working in a dressing station on the front line to the north of Ypres, Belgium, when he wrote 'In Flanders Fields' which has subsequently become a famous and well-known poem:

In Flanders fields the poppies blow
Between the crosses, row on row
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.
We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe;
To you, from failing hands, we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

It is now often remembered as a call to peace by reminding us of the sheer cost of war as the line 'Between the crosses row on row' reminds us. However, that was clearly not its original purpose. The poem is actually a call to arms against tyranny. As American Thomas Jefferson famously said 1797 'The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants.

In the midst of the horrors of the first world war a response was penned to Flanders Field called 'The Answer' by a nurse Ellen Osborne part of which I quote here. Largely forgotten now but popular at the time...

Sleep peacefully, for all is well.
Your flaming torch aloft we bear,
With burning heart an oath we swear
To keep the faith to fight it through
To crush the foe, or sleep with you
In Flanders Field

Whatever we may think at this time of Remembrance, it is worth remembering that there are people who are prepared to make the ultimate sacrifice to protect our freedoms, be they soldiers in the field, civilians killed fighting crime, or working in the health or fire services, or politicians killed in their surgeries.
