Crime month is well underway and proving to be very popular indeed! We have lots of thrilling books to enjoy.

To coincide with Open Gardens we will have gardening and cookery books. Any such books that you can donate would be very much appreciated – please leave them in the telephone box. Thank you.

The planting is nearly completed at the top of Churchwell Street. Thanks are due for all the support and donations to enable this to happen and also to the kind people who have left plants by the telephone box for others to take and grow on.

### **Introducing our new Curate, Jenny Nelson**

Jenny is very much looking forward to becoming the Assistant Curate in the Three Valleys Benefice. She has been training in Theology, Ministry and Mission on the Rural Pathway at Sarum College for the last three years, whilst already holding undergraduate and postgraduate degrees in Music and Education from the Royal Academy of Music and Buckingham University. Jenny will be moving to Bishops Caundle in the Benefice later this month with her family and is excited about serving as Assistant Curate whilst retaining her role in teaching Music and RS at Sherborne Girls.

Jenny's interests include bringing together churches, schools and communities in response to God's mission in rural multi-parish benefices. She has a particular love of rural ministry and mission with local church communities.

In the wider Diocese, Jenny is a member of the Sudans-Link Committee and is involved in creating partnerships between schools in the South Sudan and Sudan and the Salisbury Diocese. Jenny has been a voluntary Chaplain with Alabare and is a former Children and Youth Minister of Salisbury Cathedral.

Jenny's interests include travel and walking, and she already has a love of local walks in Dorset. Most of all, Jenny is looking forward to joining the Benefice, to walking alongside and learning from the fantastic ministry team, and to spending time getting to know and serving the people of the Three Valleys Benefice.

Reverend Tony Gilbert
